

VA Pension/Aid & Attendance/Medi-Cal in San Diego, California

[Mr. Miller](#) has many years of experience in the Veterans Aid & Attendance/Pension and Medi-Cal fields. He has counseled and assisted 100's of families on how to securely become eligible for this benefit as well as Medi-Cal. Further, he has filed many, many VA applications and has handled a significant number of appeals.

There are three major categories that make up elder law:

- Estate planning and administration, including tax questions;
- Medi-Cal (see [Medi-Cal basics](#)), referred to as Medicaid outside of California, veterans benefits (see [VA Aid & Attendance benefit](#)), disability and other long-term care issues; and
- Guardianship, conservatorship and commitment matters, including fiduciary administration.

Services May Include:

- » Health and Personal Care Planning (including advance medical directives and living wills);
- » Benefits Planning, which may involve wills and trusts as well as asset repositioning to maximize benefits from Medi-Cal or the VA;
- » Fiduciary Representation (including guardianship, trustees and personal representatives);
- » Legal Capacity Counseling (advising how capacity is determined and the level of capacity required for various legal activities);
- » Individual Representation (of those who care or who may be the subject of guardianship or conservatorship procedures);
- » Housing Counseling (reviewing options and financing of options such as mortgage alternatives, life care contracts and home equity conversion);
- » Income, Estate and Gift Tax Advice;
